## Anti-war rally

The Rev. Robert Moore speaks during a rally marking the eighth anniversary of the war in Iraq on Saturday at the Nassau Presbyterian Church. The theme was "Countdown to Withdrawal." Also in attendance was Army veteran Jesse Hamilton of Philadelphia (below, left) who showed a tattoo with the words of ancient Greek poet Pindar, "War is sweet to those who have not experienced it." Another speaker was former CIA analyst and author Patrick Eddington (below, right).
