Dear Irene,

Please give my deep thanks and best wishes to all in the Coalition for Peace Action who are behind the presentation of to me of the George Kennan Distinguished Peace Leadership Award. It is for me a singular recognition that I will always treasure. It is surely more distinguished

over, please

than I deserve. It is true, though, that your cause
has been my cause for many years. The Coalition
for Peace Action for more than three decades
has remained relevant and effective, and in
all your work you attract the finest people
and bring out the best in them. If I were to
choose one organization that has the most good and
loyal friends to me, I think it would be the
Coalition for Peace Action. Thank you all, again -
Sincerely, Paul
